

## WELCOME TO THE BABY ROOM!

Our Infant Room offer a sizable, well-equipped environment in which your baby, fully content and secured, will discover, explore, and flourish. Your baby will receive highly skilled, personal, and loving care in which to grow and thrive.

Below are some helpful guidelines to make your baby's transition from his/her home to "our" home as smooth as possible.

In order to ensure your baby's well being, we ask that breakfast be given before arrival. We do not serve breakfast during the busy arrival time of our day. We feel it is important to be able to greet and discuss any instructions concerning your baby's care at that time.

Please provide the daily supplies needed and be sure to label everything with your baby's name.

Your baby must be kept at home if there is a sign of illness. In order for us to administer prescription medication, medicine must be in the original container and an HRS (5013) MEDICATION FORM must be filled out by the legal guardian or parent. Over the counter medicine will not be administered without doctor's authorization.

As you know, tuition provides care during the hours of 7:00am to 7:00 pm. Please note that there is a penalty of \$2.00 PER MINUTE after 7:00pm. This is paid directly to the caregiver that has remained with your baby.

**Babies meals:** Any food brought from home must be clearly labeled with your baby's full name and date. Any store bought food must be in its original packaging and unopened. We will not accept any opened or use container. Food made at home must be labeled with your baby's full name, date, what it is and ingredients.

### **ITEMS YOU ARE RESPONSIBLE FOR:**

1. **Disposable diapers.**
2. **Disposable wipes.**
3. **Powder, cream or ointment.**
